Justus

A chiselled resin body that with a simple twist of the ring mechanism adapts the nib to provide two types of writing styles: a hard position for a fine line and a soft position for thicker and more flexible writing.

- 14k adjustable gold and rhodium nib.

Justus

Write life or draw your desires, dress up in words or emotions, change style and step up in stature with the Pilot Justus 95. Add colour using iroshizuku inks.

Iroshizuku inks take you on a poetic journey where nature's breath is a well of inspiration. 24 shades are born from Pilot's exclusive expertise, and represent an ode to Japanese landscapes that celebrates the fine art of writing, line after line.
